The President of the University of Toronto has much pleasure in acknowledging the invitation of the Regents and Faculty of the University of North Dakota to be present at the installation of Thomas Franklin Kane as President of the University on June eighteenth but regrets that owing to other engagements it is impossible for me to accept the invitation.

On behalf of the University of Toronto he begs to present congratulations to the Regents and Faculty of the University of North Dakota on this event, and to express the hope that it will be the inauguration of a very bright period in the history of the University.
